

In re Patent Application of:  
**FRUHAUF ET AL.**  
Serial No. **10/775,728**  
Filing Date: **February 10, 2004**

---

**REMARKS**

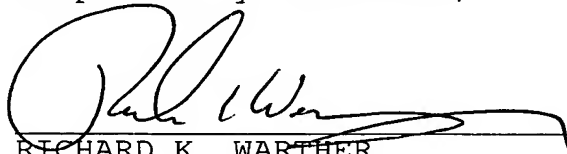

Claims 31-60 remain in this application. Claims 1-30 had been previously cancelled in a Preliminary Amendment filed February 10, 2004 in which the present continuation case was filed. Claims 31, 32, 42, and 43 have been amended.

Applicants file this Second Preliminary Amendment using the proper use of the term "processor," which can refer to a microcontroller, as suggested in the background section of the present invention, a logic circuit, or integrated circuit processing structure, for example, a microprocessor.

Applicants contend that the present case is in condition for allowance and respectfully requests that the Examiner issue a Notice of Allowance and Issue Fee Due.

If the Examiner has any questions or suggestions for placing this case in condition for allowance, the undersigned attorney would appreciate a telephone call.

Respectfully submitted,
